

PERINET

2015

PERINET

*Perinet's estate vineyards encompass steep slopes of licorella (slate) soils; producing deeply concentrated and complex wines. This wine showcases the essence of a modern Priorat. This blend shows a deep purple black color, with beautiful aromas of cherry and plums with some hints of tobacco and dry leaves and violets. The palate is fresh, full and rich, with a silky texture balanced with ripen tannins.*

**Unique mineral notes  
derived from the llicorella  
slate**
