A selection of Garnatxa & Carinyena from the best vineyards parcels as well as the best barrels in the winery. Offers a more full-bodied, concentrated, sexy style as well as terrific notes of mulled black cherries, blueberries, incense, dried herbs, and earth. Muscular and dense, this red is built to last. Currant flavors are backed by espresso, licorice and tarry notes, supported by firm tannins and racy acidity.

**Big yet lively, harmonious
and deep Priorat**
